

SUSTAINABLE HOME  
INTERIOR DESIGN

## ONE DAY CONSULT

Love the idea of tackling your home's redesign on your own, but also want a design pro's help to get started? When you book a interior design consultation, I'll visit your home (in person or virtually) and help you with the design process.

I'll ask questions, provide feedback and ideas, and answer any questions you have about what's possible. We will look at inspiration together, and then pivot to looking at products and solutions.

Then, within 3 business days, We will send you overall vision document, which includes visual inspiration and recommendations for each space.

## INVESTMENT

IN HOME (1 ROOM): \$2,500  
+ FOR EACH ADDITIONAL ROOM: \$1,500

VIRTUAL (1 ROOM): \$2,000  
+ FOR EACH ADDITIONAL ROOM: \$1,200

## WHAT'S INCLUDED

- a 2 hour meeting either via zoom or in your home, where we'll:
  - go over your ideas, pain points, and hope for your space
  - take / review measurements
  - begin brainstorming on accomplishing your vision
- a detailed vision document that includes:
  - a concept vision with photo inspiration
  - a detailed floor plan with recommended furniture sizing, placements, etc.
  - Recommended selections based on your vision
- trade and contractor recommendations if needed
- links to any products or materials we discussed during your consultation
- recommended next steps to help you achieve your vision

*"Her execution was impeccable."*
